Bucks County Veteran's Transportation

Due to the aging and declining veteran population in Bucks County, our Veteran's Transportation Program is starting to see a drop in our number of passengers to VA Hospitals in Philadelphia and Coatesville.

We are requesting help getting the word out about our FREE transportation program for all veterans. If you do a mailing, have a newsletter or website, please include us in your information as that would be a great way to get the word out.

For more information or to receive bus schedules, please call Betty at 215-345-3885.

Please consider adding the suggested text and bus schedule:

Bucks County Veteran's Transportation Program

Since November 2001, Bucks County has been providing transportation to our veterans to VA Hospitals in Philadelphia and Coatesville. The Transportation Program is overseen by the Buck County Department of Veteran Affairs and has carried over 11,000 veterans FREE of charge. Our bus runs 5 days a week covering all of Bucks County.

The program is unique because it is not a taxpayer funded program, but rather depends on donations and an annual golf outing. In addition, the VA Hospital in Coatesville pays for all maintenance, fuel, and insurance.

Please pass this information onto any veteran that you may know.

For further information or to schedule a ride, please call Betty at (215) 345-3885.
