

# Story Time Programs

Spring Session – 3/20-5/24

**Pre-K Story Time [Ages 3-6]: Tuesdays at 10:30AM**

Stories, songs, and fun followed by a craft.

**Baby Story Time [Ages birth–18 months]: Wednesdays at 10:30AM**

Join us each week for stories, songs, and fun for children and their caregivers. Story time is followed by an informal play time.

**Toddler Story Time [Ages 18 months–3years]: Thursdays at 10:30AM**

An exciting story time just for toddlers and their caregivers. Story times include stories, songs, rhymes and movement followed by an informal play and read time.

*\*Will not run on 4/26.*

Summer Session – 6/19-8/2

**Tuesdays and Thursdays at 10:30AM**

Libraries Rock! Join us for our Summer Story Times complete with stories, crafts, activities and songs. This program is intended for children ages 2-6, but all ages are welcome.

*No registration needed for Story Time Programs.*

# Special Programs

**Fire Trust Library Visit– Tuesday June 26 at 11AM. Drop in!**

We're getting a special visit from a fire truck! Come check out the truck up close and hear all about being a firefighter from Joe Velten, Warminster Fire Marshall! No registration required! This program is for all ages and follows after story time.

**Movers and Shakers – Wednesdays, 6/20-8/1 at 10:30AM. Drop in!**

A play-based learning program for babies and toddlers with their caregivers. We'll provide a fun environment for kids to discover while helping caregivers to better understand how play aids in their child's physical, emotional, and cognitive development - no flashcards required.

This program is intended up for children from birth up to age three. There is no registration for this program.

**Play K Circle Time – Mondays, 7/1-8/6 at 11AM. Register online!**

Join us for a fun Play K (Play Kindergarten) event geared towards helping children learn social skills that prepare them for Kindergarten in the Fall. We will read themed stories, and after 10-15 minutes of books and discussion children will have the opportunity to play with the theme play and learn centers or "playscapes" (toys) with their parents and other family members.

For children ages 3-5 and their caregivers.

[Updates on 4/15/2018]

# Warminster Township Library Children's Spring/ Summer Programs May 2018-July 2018

To register for programs online go to [buckslib.org](http://buckslib.org) or call us at 215.672.4362.

**Chess Club: Saturday 5/5, and 6/2 at 2PM.  
Registration required!**

Learn how to play chess at the library! All children will be instructed how to play by teen chess players. This program is geared for children in grades 1-4.

**American Girl Club: Monday May 21 at 6PM.  
Registration required!**

Join us each month to learn more about an American Girl with games, crafts, activities, and snacks. This program is for kids in grades 1-5. You do not need to bring a doll to participate.

**Blockheads: Wednesday May 16 at 4:30PM.  
Registration required!**

Use your imagination to build Lego creations. Each month we present a theme for the children to build and expand on. The children free build based on the theme. This program is for children in grades K-6.

**LEAP into Science!: Wednesday 5/9 and 5/23 at 4:30PM. Drop in!**

Elementary school-aged children and their parents work as partners to engage in activities and explore books related to science themes. LEAP into Science incorporates hands-on science activities and related children's books for children ages 3-10 and families.

\*This program is funded through a grant by The Franklin Institute

## Science in the Summer

**The Science of Space: June 25-28**

- **Level 1 (Entering 2-3 grade): 10AM OR 1PM**
- **Level 2 (Entering 4-6 grade): 11:15AM Or 2:15PM**

**Registration begins Friday, May 18 @ NOON**

The Science of Space invites children to see the sky above them. Through active, hands-on learning, students explore the sun's energy, the phases of the moon, human survival in space, and how rockets overcome Earth's gravity. From here on Earth, we look up and see the sun and moon. From here, we dream of space travel and achieve liftoff.

## Tentative Summer Programs

**Family Fort Night: Thursday, June 21 at 5PM.  
Registration required!**

Join us for an evening of stories, snacks, and blanket forts! Please bring flat sheets, blankets and pillows for your fort making. We'll provide the snacks and stories. Children of all ages and their families are invited to join in the fun.

**90 Second Newbery Film Club: Thursdays, June 28-August 16 at 2:30PM. Registration Required!**

Let's make a movie! We'll be turning the Newbery Award winning, *The Girl Who Drank the Moon* By Kelly Barnhill into a 90 second film. Copies of the book will be available starting June 1st for participants. [1 copy per family]. For children in grades 3-6.

**4-H Pet Care: July 11, 18, and 25 at 3PM.  
Registration required!**

Members of the 4-H Pet Care program will visit the

library with their animals. For all ages.

**Chalk the Walk: June 22, July 20, and August 10, 11:00AM. Drop in.**

We'll be playing with chalk on the front sidewalk. For ages 4-8 and their families.

**Crafternoon- July 13, July 27 and August 10, 1:30PM. Register Online.**

- July 13: Starburst Rock
- July 27: Making Instruments
- August 10: Jackson Pollock Community Art Painting (Weather Permitting)

**Little Garden Growers: 7/3, 7/10, 7/24, and 7/31 @ 1PM. Registration Required!**

At this hands-on program, we'll learn how to plant and maintain a garden, and about the animal friends who help it to grow. This program is for kids entering grades K-3.

- July 3: Plants
- July 10: Bees
- July 24: Compost
- July 31: Birds

**Tech Time: 7/2, 7/16, and 7/30 at 1:30PM.  
Registration Required!**

Dive into new apps, robotics toys, and coding technology in this hands on program. For children entering grades 2-5.

## Outside Performers

*(Tickets for outside performers will be given out on a first come, first serve basis 30 minutes prior to the programs start time due to limited space or program size)*

**Academy on the go! Discovering Dinosaurs: July 17 at 2PM.**

How do we know what dinosaurs were like? Were other animals alive at the same time as the dinosaurs? How were they similar to animals that are still alive today? Learn the answers to the puzzles of paleontology by examining fossils and participating in engaging interactives. For children entering grades 1-6.
