

# FRIENDS OF WARMINSTER LIBRARY ANNUAL APPEAL

*The Friends of the Warminster Library is  
a volunteer group dedicated to enriching the lives of residents  
by supporting our Community Library*

Thanks to your donations last year, we raised nearly \$13,000 toward transforming special areas of the library. Our fundraising efforts transformed the children's area for the purpose of interactive play and advancing early literacy skills. With your continued help this year we hope to reach new heights in propelling the library's spaces into welcoming rooms dedicated to the growing needs of our community. Whether educational with an outdoor seating and amphitheater renovation, entertaining with programs in an updated community room, or collaborative with a small meeting room transformation.... your contribution will make the difference!

*Help us to continue to transform our house!*

We invite you, as an integral part of our community, to support our efforts with a tax-deductible donation.

**With Thanks,**
