

Warminster Environmental Advisory Council

Community Garden Clean-Up

March 24, 2018

10am-2pm

Szymanek Community
Garden

The Warminster Environmental Advisory Council, in conjunction with the Parks & Recreation Department, is sponsoring a Community Clean-Up of the Szymanek Park Community Garden. This would be a perfect opportunity to meet your Environmental Advisory Council members and volunteer your services to help clean-up part of our community along side the council members.

Parks & Recreation will supply volunteer certificates, safety vests, gloves & trash bags (courtesy of PennDOT) to all who register.

Contact the Parks & Recreation Department for more information: (215) 443-5428, or go to the Parks & Rec website at
