

Story Time Programs

Winter Session — 1/8-3/7

Spring Session — 4/2-5/23

Pre-K Story Time [3-6 yrs.]: Tuesdays at 11AM

Baby Story Time [Birth—18 months]: Thursdays at 10AM

**Will not run on 1/31*

Toddler Story Time [18 months—3years]: Thursdays at 11AM

**Will not run on 1/31*

Leprechaun Story Time and Scavenger Hunt: March 12th and 14th at 11AM

We will share fun St. Patrick's Day books and songs. After Story Time, help our Leprechaun friend find all the colors in the rainbow. [Ages 2-6]

Sensory Story Times: 2nd and 4th Mondays at 11AM [Ages 3—6]

A special story time ideal for differently abled children. Whether your child is on the autism spectrum, has sensory processing issues, or feels overwhelmed with loud noises or crowds this inclusive program may be just what you are looking for. Story times consist of 30 minutes of preschool level books, songs, and rhymes followed by monitored social play.

**This program will take place 2x a month, the 2nd Monday of the month will take place at Southampton and 4th Monday will be at Warminster.*

Special Programs

Mad Science: Smoke and Bubbles [PreK-1]: Saturday March 2 at 1PM. [Register online!](#)

Kids will be mesmerized when we use dry ice to make bubbling potions, shivering quarters, popping corks, and a thrilling cemetery scene. They'll even learn that the "smoke" from dry ice is really carbon dioxide gas.

Mad Science: Che-Mystery [Gr. 2-5]: Saturday March 2 at 2PM. [Register online!](#)

Children will explore one of the most exciting and fundamental sciences as they grow their own crystal gardens. They will also learn how to break polymer bonds and create soda pop.

A Pirate's Life for Me! [Gr. 3-8]: Wednesday, April 10 at 4:30PM. [Register online!](#)

Looking for buried treasure? For a pirate, this was often not a chest of gold but sugar, dry goods or other ship cargo. Learn about the shipping and trade economy from the point of view of 17th and 18th century pirates and privateers. The program is brought to us by the Independence Seaport Museum and is part of our Hands on History Series.

Maker Mondays- Recycled Earth Day Planters: Monday, April 22 at 4:30PM. [Register online!](#)

Using recycled or found materials children will create their very own planters. We will provide the trash, recycled, or found materials you bring the creativity. We will show you how we tackled the problem, but now it is your turn and sky's the limit! For children grades K-6.

Warminster Library

Youth Programs

January 2019-May 2019

Monthly Programs

Chess Club: Saturday 1/5 and 2/2 at 2PM & Mondays 1/7, 2/4, 3/4, 4/1, and 5/6 at 4:30PM
Register online.

Learn how to play chess at the library! This program is geared for children in grades 1-4.

Blockheads: 1/9, 2/11, 3/20, 4/17, and 5/15 at 4:30PM. Register online.

Use your imagination to build Lego creations. Each month we present a theme for the children to build and expand on. For children in grades K-6.

- January: Amazing Mazes
- February: Tallest Tower Challenge
- March: Transportation Innovation
- April: Dream House
- May: Space Stations

Fun Feats of Science: Monday 1/21, 3/18, 4/15, 5/20 at 4:30PM. Register online.

Get your science on in this monthly program geared for children in grades K-3. We'll introduce a scientific topic or principal through books and follow it with a hands-on activity.

- January: It's Electric!
- March: Candy Density
- April: Jell-O Earthquakes
- May: Clouds and Weather

Graphic Novel Book Club: 1/14, 2/11, 3/11, 4/8, 5/13 at 6PM. Register online!

Join us once a month to talk about a popular graphic novel. A 30 minute discussion about the book will be followed

by a themed activity. For grades 5-12.

- January: *Drama* by Raina Telgemeier
- February: *Zita The Spacegirl* by Ben Hatke
- March: *Nimona* by Noelle Stevenson
- April: *Be Prepared* by Vera Brosgol
- May: *The Witch Boy* by Molly Knox Ostertag

Featured Programs

Newbery Popcorn Preview: January 16 at 6PM. Drop in.

Over the summer our 90 second Newbery club created a film adaptation of Kelly Barnhill's *The Girl Who Drank the Moon*. We will watch the finished film and our hilarious bloopers. Following the film we will vote on next summers' book! Popcorn and soda will be served.

LEGO Stop Motion Animation: 2/6, 2/13, 2/20, and 2/27 at 4:30PM. Register online!

Children will get into small groups and create a short stop motion movie using popular children's books as a template. During the 4 weeks we will make scripts, sets, and film. For children in grades 2-5.

Hands on History Series: Wednesdays, 3/13, 4/10, and 5/8 at 4:30PM. Register online!

Explore times like never before in this interactive history program. For grades 3-6.

- March: Illuminated Manuscripts
- April: A Pirate's Life for Me! [Brought to us by the Independence Seaport Museum. For grades 3-8]
- May: When in Rome- Learn about the Roman Coliseum

Key Club Instrument Petting Zoo: Saturday, March 9 at 10:30AM. Drop in!

Teens from the CB East Key Club will be visiting with their musical instruments. Children will be able to touch, hold, and discover all the instruments. The teens will be able to play the

instruments for the children and share why they chose to play them. For children ages 4-7.

Book Tasting: Monday, April 8 at 4:30PM. Register online.

Children will be able to try different books published in 2018 from our "tasting" menu. At the end of the program, they can rate, check out, or place a hold on the book they'd like to try out. Snacks and juice will be served! For children in grades K-6.

Parent Academy: Speech, Language, and Literacy Development Workshop: Wednesday, April 24 at 6PM. Register online!

An experienced speech-language pathologist will discuss childhood speech, language, and literacy development, common speech and language disorders, strategies to help children communicate successfully, and how to get help from a professional. A question and answer session will follow the initial presentation.

*Special & Pop-up Story Times

Dentist Story Time: February 2 at 11AM. Drop in.

Celeste Bailey of Cavity Busters Philadelphia will visit our library and share books about going to the dentist and healthy teeth. Crafts and activities will follow the 30 minutes story time.

Check out our website and monthly calendar for dates, times, and locations of our Pop-Up Story Times in the parks starting up in March.

To register for programs online go to buckslib.org or call us at 215.672.4362.
