Head over to yourcloudlibrary.com for more info, including tutorials

Step One: Download App

CloudLibrary is available in all app stores EXCEPT Kindle Fire tablets

*Don't forget to enable "Downloads from Unknown Sources"

To download on the Kindle Fire tablets:

1. Go to Silk browser
2. Navigate to yourcloudlibrary.com
3. Select Kindle Fire download option as pictured below
4. Follow Download Instructions on screen

Step Two: Find Your Library

When you first open the CloudLibrary app, there will be a welcome screen. You will need to select the *Language, Country, State,* and *Library* on each screen. Choose **Bucks County Free Library**

Step Three: Login Using Your Library Card

After choosing Bucks County Free Library (BCFL), login by entering your library card number and PIN number, then tap **Login Now**

Borrow

Save for later

Once you have found a book that you would like to check out, tap on the book's cover. Then tap **Borrow**. The item will begin to download.

NOTE: If an item displays **Hold** instead of **Borrow**, then the item is currently checked out and must be placed on hold. You can have **10** items borrowed at a time and **10** items on hold. Borrowing periods are for **two weeks**, and can be returned early. You can also flag an item if you do not want to borrow it immediately.
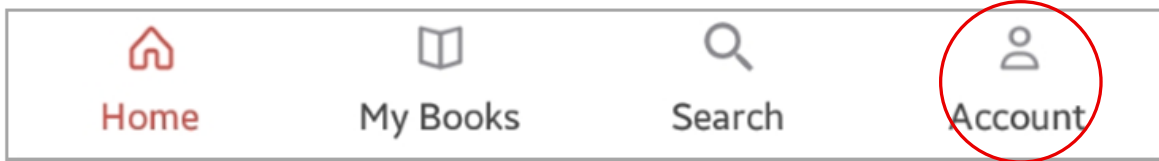

HOLD
Available in 11 days

Step Six: Enjoy!

After your item finishes downloading, it will automatically open and you can begin reading. Tap on **My Books** to see the books you currently have out. Physical books you have checked out will also show on this list. When you find the eBook or audiobook you would like to read, click on the **Read** button to start.
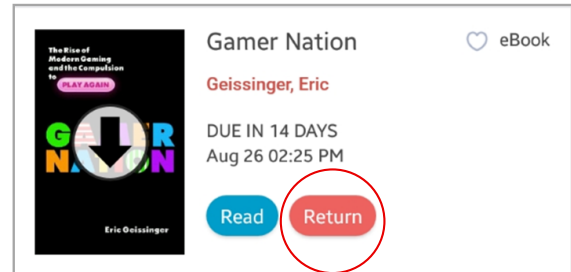

Other Important Information

You can access your library cards and other settings by tapping the **Account** button on the bottom of the screen

Items can be returned early, however they will automatically be taken off the account after 14 days
