COMMEMORATIVE TREE

DONATION PROGRAM

Warminster Parks & Recreation recognizes the value of trees in our community and have developed a Commemorative Tree Donation Program to enhance the beauty and stability of our park system. Many of our parks were built on open farmland or vacant lots in housing developments and therefore lack the trees necessary to provide shade and environmental benefits to residents using our parks.

Trees are valuable resources and help communities in many ways. They create an aesthetically pleasing environment, provide oxygen, help clean the air of pollutants and odor, fight the greenhouse effect, and conserve energy by shading and cooling homes and buildings. They also help prevent water run-off and soil erosion, produce food and mulch, provide canopy and habitat for wildlife and help keep the atmosphere in balance. Trees can increase property values and produce a sense of community

Today many people buy a living gift of trees or shrubs to honor the memory of a lost relative, pet or fallen soldier or to honor a special event - a birth, birthday or special family event. Often they are placed in a park where relatives and friends can visit and meditate under the branches. If you enjoy a particular park and wish to place a lasting memorial to a family member, friend or pet, either living or deceased, consider donating a tree to the community.

INDIVIDUALS HAVE THREE OPTIONS

FOR DONATION :

Option #1: Direct Purchase & Installation

Donor shall purchase tree directly from a local nursery and have them install it. We will provide a commemorative plaque for donation of \$50.

Selected tree species _____

Installer Information _____

Name of Landscaper or Township

Address _____

Contact person _____

Phone _____

Option #2: Tree Purchase & Parks Installation

Donor shall purchase tree of choice from local nursery and have it delivered to the park site. Parks Dept. will install it. A \$100 donation is required for installation and plaque.

Selected tree species _____

Nursery contact: _____

Phone _____

Donation enclosed: \$ 100.00

Option #3: Funding Donation

The donation of funds to purchase a tree is the most common type of donation we receive. The Parks Department will purchase a nursery quality tree or shrub based on the monetary donation. The average cost of trees/shrubs is listed on the following page. The average tree donation is \$300. The Parks Department will choose the tree, have it installed, and provide a memorial plaque.

Selected tree species _____

Donation enclosed: \$ _____

MEMORIAL PLAQUE

A 4"x6" plaque – black plastic with engraved gold lettering will be placed on the tree or at the base of the evergreen/shrub (max 3 lines). This plaque shall read:

PLANTING LOCATIONS & RECOMMENDED TREE
