RE: Television Recycling

Dear Resident:

It has been brought to the Township's attention that you may be seeking information on how to properly dispose of your television. Pennsylvania's Covered Waste Recycling Act does not allow televisions to be disposed of with regular waste.

Below is a list of a few locations we have found in the area with contact information which will recycle your television set for a small fee. This information is provided as a courtesy to our residents and the Township does not endorse or audit any of their activities. Information is subject to change.
