

# Welcome To WARMINSTER TOWNSHIP

BUCKS COUNTY, PENNSYLVANIA

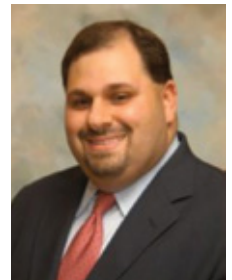

FALL/WINTER 2018

## MESSAGE FROM THE MANAGER

*Residents,*

I hope everyone is enjoying the fall weather. Fall is always a busy time for municipalities as we are busy working on our budget for the next year. The annual budget is our blueprint for the year that lays out our operations, projects, and capital items. We struggle every year to construct a budget that meets the needs of the Township while keeping spending to a reasonable level. This always involves tough choices on what to fund and what to defer. In the end, we hope to present a budget to the Board of Supervisors that moves us forward on many initiatives and meets the needs of the community. We welcome the input of the public throughout this process. Proposed budgets are posted on the Township website.

This year, we are assisted by a newly formed budget committee. Working with the committee, we hope to put in place a budget that deals with our long term structural issues. The issuance of new debt, expansion at Warminster Community Park, and increased pension and healthcare costs are all adding stress to our financial position. Please feel free to attend meetings, ask questions, and comment on budget proposals.

## WASTE & RECYCLING COLLECTION INFORMATION

**Trash Collection:** To collect trash & recyclables more efficiently, J.P. Mascaro & Sons, the contracted trash removal service for Warminster Township, has broken the Township into eight sections. Visit: [warminstertownship.org/public-information/trash-recycling](http://warminstertownship.org/public-information/trash-recycling) to view a map and find out when your trash collection day is, what to do with bulk items, how to recycle e-waste and more! Yard waste, grass and leaves will be picked up once per week from April 1st to December 15th each year. December 16th through March 31st, put them in the regular trash. The Township has Single Stream Recycling which is described in more detail below, but allows residents to place all recyclables: cans, bottles and plastics newspapers, cardboard, and mixed paper in one container. Hazardous Wastes are not permitted in the trash. E-waste, electronics, car batteries, gasoline, motor oil, pesticides, oil-based paint and other toxic and hazardous materials do not belong in the trash or down the drain! Call the Bucks County Planning Commission at 215-345-3400 for information on disposing of these materials. For more information on trash collection services, please call J.P. Mascaro with questions: 1-800-432-1616

### WHAT IS RECYCLED IN SINGLE-STREAM RECYCLING?

- **Aluminum and Metal Cans:** aluminum cans (beer and soda); aluminum foil and foil plates, etc., metal lids; metal food cans (tin/steel). Please rinse food products.
- **Glass:** glass bottles and jars (food and drink only). Please rinse food products.
- **Plastic containers:** plastic bottles and containers labeled #1–#7 (soda, water, milk, juice, liquor, shampoo, detergent, condiments, salad dressing, yogurt, margarine). Please rinse food products.
- **Mixed paper and cardboard:** Paper material, such as, newspaper and inserts, magazines and catalogs, junk mail, envelopes, file folders, office white, colored and computer paper (staples and paper clips ok). Corrugated cardboard boxes, wax cartons, cereal, tissue, gift boxes, etc. (remove liners), paper bags, phone books, wrapping paper (remove metallic paper, bows, etc.). Break down all boxes. No paint or oil contaminated boxes. Make sure that paper and cardboard material remain dry.
- If you did not receive a brochure or need additional recycling stickers, they are available at the township offices. Simply place the sticker on a container and use it for collection. You can use any container up to 35 gallons as well as your existing recycling bin. Make sure that the recycling sticker is visible to the collection crew.
- **Do Not Recycle the following:** ceramics, dishes, coffee cups, drinking glasses, glass ovenware, Pyrex, vision ware, window glass, mirrors, light bulbs, plastics without #1 through #7 labeling, plastic bags, Styrofoam packaging, bubble wrap, tissue or paper towels, metallic or coated paper, waxed boxes, books or toys.
- **E-waste (electrical and electronic waste)** is valuable as a source of secondary raw material but also toxic if disposed of improperly. For more information about Bucks County Household Hazardous Waste Collection events, visit [www.buckscounty.org/recycling](http://www.buckscounty.org/recycling) to find the information from the Bucks County Planning Commission. Also available is information pertaining to the disposal of televisions, Freon containing appliances and leftover paint.

## CREMATION SHOULD NOT BE OUTSOURCED

### No TV Trash Pickup Curbside Under PA E-Waste Law

**A disposal ban on a host of electronic devices went into law which means you can not place it curbside on trash day.**

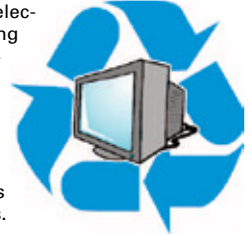

As mandated by the Covered Device Recycling Act, it is illegal for desktop computers, laptop computers, computer monitors, computer peripherals such as printers, keyboards, and mice, tablets like iPads and Kindles, and televisions with viewable screens larger than four inches to be disposed of in state landfills. All of that "e-waste" must be recycled instead. Cell phones and PDAs are exempt from the law.

#### What is Considered E-Waste?

- Computers (desktop / laptop) Computer Peripherals (Keyboards and Mice)
- Computer Monitors (CRT)
- Computer Monitors (flat screen)
- Consumer Printers
- Televisions (CRT) Televisions (flat screen)
- Rear Projection TVs (Wood or Plastic)
- Scanners
- Server Wire/cables
- Zip Drives

#### Where Can I Recycle my Televisions, Computers, Monitors and Peripherals?

There are a number of electronics recycling programs currently operating in Pennsylvania that provide collection points where residents can drop-off covered devices and other electronics for recycling or reuse. Manufacturers of covered devices are required to establish and conduct ongoing collection and recycling programs for covered devices.

Information regarding local drop off locations is available on DEP's Electronics Recycling web page [www.dep.state.pa.us](http://www.dep.state.pa.us), choose [DEP Programs A - Z](#), then choose [Electronic Recycling](#). Local recycling options can also be obtained by calling DEP's recycling hotline at 1-800-346-4242, by contacting your County Recycling Coordinator (choose [DEP Programs A-Z](#), then choose [Recycling](#)), or by contacting your local electronics retailer like Best-Buy® or Staples®.

## WARMINSTER TOWNSHIP UPDATES ORDINANCES

The Township has been busy updating and modernizing the code of Township ordinances, and more updates are on the way. As of 2017, residents can now access these laws at their convenience in an online format, found through the Township's website or directly at <https://www.ecode360.com/WA2486>. Proposed legislature is also included as well as newly adopted laws.

Below are a few ordinances that have been recently modified.

### **Solicitation Ordinance**

Individuals or companies engaging in commercial door to door solicitation must obtain a permit from the Township which must be openly displayed. Solicitation is permitted between the hours of dawn and dusk. Residents may still obtain a "No Solicitation" sign from the Township, which, if displayed, prohibits solicitors from conducting business at the property. For more details please visit Chapter 13 of the Township's code. Please call 215-672-1000 to speak with an officer to report violations of this ordinance. In case of emergency, please dial 911.

### **Noise Ordinance**

This Township Ordinance restricts general noise nuisances between the hours of 7:00 PM and 8:00 AM. Construction noise is prohibited between the hours of 7:00 PM and 7:00 AM, Monday through Friday, through 8:00 AM on Saturday, or at any time on Sundays or holidays. For more details and exceptions please visit Chapter 10 of the Township's code. To report violations of this ordinance, please call 215-672-1000 to speak with an officer and file a report. It is important to report the nuisance as it is occurring.

### **Residential Rental License Ordinance**

The Township has updated the Residential Rental License Program. Landlords of multi-family condominiums or apartments must apply yearly for a residential rental license, or every two years for single family dwellings. The Township will provide inspections of these rental properties before issuing the rental license. For more details, please refer to Ordinance 743 under "New Laws" of the Township Code. To report concerns or violations, please contact the department of Licenses and Inspections at 215-443-5423.

Participants must pre-register for all classes, either by calling the Parks & Rec office at 215-443-5428 or registering online [www.warminstertownship.org/specialevents](http://www.warminstertownship.org/specialevents). Classes meet at the WREC@WCP unless otherwise noted.

### A BEGINNER'S GUIDE TO BECOMING ACTIVE: HOW TO REACH 10,000 STEPS

**Date/Time:** Tue, Sept. 25 @ 10-11:30 AM

Do 10,000 steps seem like a lot to you? Learn the origins of the 10,000 steps recommendation, and tips on how to reach the correct number of steps for your personal health needs. Then, put on those walking shoes and get moving! We'll take a short walk around Warminster Community Park to help get you started. *Presented by Doylestown Health education outreach liaison Kellye Foulke, MS, CHES.*

**Registration required. Call to register (215)672-1870 or [www.DoylestownHealth.org](http://www.DoylestownHealth.org)**

### KNOW YOUR MEDICARE OPTIONS

**Date/Time:** Mon, Oct. 15 @ 6:30 PM

**Fee: FREE! Please pre-register!**

During this seminar, you will learn:

- How Medicare works and what it covers. How Part D prescription cards work and how to pick the right one for you.
- The difference between Medicare supplements and Medicare Advantage plans.

This seminar is suitable whether you have decisions to make during the upcoming open enrollment period (Oct. 15 thru Dec. 7), or just want to learn in preparation of that time. *Presented by Steve Perlman, a Medicare planning specialist with DelVal Senior Advisors.*

### PROTECT YOURSELF FROM SCAMS

**Date/Time:** Mon, Dec. 10 @ 6:30 PM

**Fees: FREE! Pre-Registration required!**

The Bucks County Office of Consumer Protection will provide some things to watch for and methods to protect yourself from phone and internet scams and even home contractors. An interesting evening discussion not to be missed!

### KEEPING KIDS SAFE WHILE USING THE INTERNET – SNAPCHAT, FACEBOOK AND MORE!

**Date/Time:** Tue, Oct. 16, 2018 @ 6:30 PM

Whether you're trying to keep up to date with social media trends or are a curious parent wanting to see what your child is up to, this class will provide basic overview and insight to help your child engage in positive and valuable online interactions. This program for parents and guardians, will include cyber bullying, current trends in social media, apps and online gaming, and online safety. Bring your smartphone. **Must pre-register.** *Presented by NOVA.*

### DARE 2B AWARE TICK PREVENTION SEMINAR

**Date/Time:** Tue, Oct. 9 @ 6:30 PM

**Fees: Free – Must pre-register!**

Tick-borne infections are preventable - awareness is the first step to action. Lyme can be serious if not diagnosed and treated early. Ticks are a state-wide risk. A recent PA Environmental Protection study reported Lyme and other tick-borne diseases in all 67 counties. PA has led the nation in new cases. Learn how to prevent tick bites and Lyme & tick-borne diseases. Our seminars cover:

- Ticks and tick-borne diseases
- Preventing tick bites
- Action if bitten by a tick
- Recognizing early symptoms
- Seeking help if you get sick
- And much more

*Presented by: PA Lyme Resource Network.*

### FALL BIRD WALK

**Date/Time:** Saturday, Oct. 6 @ 7:30 AM

**Fees: FREE – Must pre-register!**

**Location:** WCP

Join Bill Woodroffe from Churchville Nature Center as he explores habitats and identifies birds at Warminster Community Park. Participants will spend approximately two hours and should bring binoculars, and weather appropriate clothes and waterproof boots. Call to register: 215-443-5428!

## VOLUNTEERS NEEDED FOR BIRD COUNTS AND INVASIVE REMOVAL

Parks & Recreation has teamed up with Churchville Nature Center for a variety of programs. Join us for the Audubon's 119th Christmas Bird Count to help monitor species in Warminster Community Park. We are also putting together a work crew to assist with invasive plant removal in the park in the spring. Call to register if you are interested in volunteering for either of these programs: 215-443-5428.

## BEEKEEPING FOR BEGINNERS

**Date/Time:** Sat, Oct. 13 @ 9:00-1:00 PM (4-hr workshop)

**Fees:** \$75/person Must Pre-register

Participants will get a quick buzz-course into the basics of honey bees, beekeeping, and pollination and receive the materials and information needed to successfully set up for your first season of beekeeping. Brothers in Bees, a Bucks County cause-based company that raises honey bee awareness and offers U.S. Veterans a rewarding experience through beekeeping, will present this educational program.

## Craven Hall & John Fitch Museum Tour

**Date/Time:** Mon, Nov. 5 @ 6:30 PM

**Fees:** \$10/person Must Pre-register

Since we couldn't fit everyone into the summer program, we are repeating the tour of Craven Hall and the John Fitch Museum. Discussion will also include the historic Craven-Vansant burial ground which contains the graves of 11 Revolutionary War veterans and a Civil War Veteran. Genealogical tablets on display chronicle the families buried there. A portion of the proceeds will benefit Craven Hall.

## THE ZENTANGLE EXPERIENCE

**Date/Time:** Mon, Oct. 15 or Thu, Nov. 15 from 6:30-8:00 PM

**Fees:** \$35/class – all materials included. Must Pre-register

The Zentangle experience is an easy-to-learn, relaxing, and fun way to create beautiful images by drawing structured patterns. Zentangle relieves stress, supports healthy group dynamics, and inspires new ideas and beautiful creations. It allows you to deliberately shift your thoughts while enabling you to deliberately relax, change your perspective, and focus your attention - all while creating beautiful patterns.

*Instructor: Judith Iris Quate, CZT*

*Instructor: Charles Bendas – SAG-AFTRA, Television & theater actor and director*

## Anechoic Chamber Education Sessions – Free!

Penn State Applied Research Laboratory will open their doors for these unique recreation opportunities. Both classes are held at the Anechoic Chamber, 300 E. Bristol Road – use the Penn State gate entrance on Bristol Road. Classes are free, but **you must pre-register** as space restrictions limit group to 10 people. Call Parks & Rec: 215-443-5428.

### COMMUNICATIONS SYSTEMS DEMONSTRATION

**Date/Time:** Friday, Nov. 9, 2018 @ 10 AM

Each day, we experience communications of some sort whether we know it or not. This is for business, listening to the news, conversing with friends and family on social media of some sort, when we fly to our destination, and for simple entertainment, just to name a few examples. In this class, we will “hands-on” build a simple communications system to see how all the parts act together to pass information electronically and wirelessly. We will be able to see and hear the information that is being communicated. The goal is to have a deeper understanding of the sometimes invisible, behind-the-scenes technology that enables us to communicate. The class is geared for the non-technical, but we can get more detailed if the class wants to.

### ANIMALS AND ELECTRONICS

**Date/Time:** Friday, Feb. 8, 2019 @ 10 AM

Humans are not the only ones experiencing new ways to use electronics involving wireless and electronic systems. Our furry friends, even some without fur, are experiencing these systems as well, just not voluntarily. It is happening in many cases to better understand them with the goal of better protecting them. This class will present many ways in which animals are using body-worn wireless and electronic systems. As an example, these technologies allow us to see the exact present location in the sea or on the coast (perhaps near beaches) of a great white shark that has been tagged for monitoring. All this on our own personal computer or mobile phone.

## YOUTH PROGRAMS

### Craft Programs

Join us for some fun seasonal crafts with Miss Kathie. Fee includes materials, instruction, and snack. Please let us know of any food allergies or diet restrictions at the time of registration. Some projects can be messy - please dress appropriately or bring an art shirt. Class size is limited - pre-registration is required.

#### KIDS' ONE DAY WORKSHOP

Afternoon craft workshops for children ages 3-6 held one Thursday each month. Parents are welcome to stay and lend a hand, but it is not required.

**Dates/Times:** Tue, Oct. 9; Nov. 13; Dec. 11; Jan. 8; Feb. 12 from 4:30-6:00 PM

**Fees:** \$12/class or 5 classes for \$50

## PARKS & RECREATION NEWS & NOTES

### PARK GRANT UPDATE

Following Warminster Day in June, the Township will begin preparation for the start of grant construction. Parks & Recreation Department has secured almost \$3 Million in development and improvement grants in Warminster Community Park. Improvements will include a soccer field, 2 baseball fields, a spray park, a pavilion with restrooms, playground, expanded parking, new trails, storm water, bocce, volleyball and basketball courts, and entry drive from Bristol Road. Residents should be aware that the development of these new facilities in the park may limit access to certain areas during construction, but we will make every effort to have all sections of the park open as safety permits.

### SAFETY TOWN OPEN FOR BUSINESS

There are still a few facades available in Warminster Parks & Recreation's Safety Town at Warminster Community Park for a 5-year lease period. Business sponsorship is also being sought for recyclable benches, a shed for big wheel/trike storage and a sunshade. If interested, contact the Parks & Recreation Department for more information.

### SZYMANEK PARK COMMUNITY GARDEN

The Community Garden at Szymanek Park was revived in 2018 and there may be some raised beds available for gardeners looking for space in the spring. These beds are available on a first come, first served basis. If interested, please contact Donna Elms, member Warminster Environmental Advisory Council via email: [elmsdonna@yahoo.com](mailto:elmsdonna@yahoo.com)

### "FRESH CONNECT" AT WCP

Parks & Recreation will continue to host Fresh Connect Bucks County – a free mobile Farmer's Market for Bucks County residents. Held in cooperation with United Way, BC Opportunity Council and Philabundance, residents must register and meet certain household income qualifications. Held each Tuesday, year-round (weather permitting), from 12-1 PM at Warminster Community Park. For more information or to volunteer, call 215-345-8175 or [BCOC.org](http://BCOC.org)

### EMERALD ASH BORER UPDATE

Fluctuating temperatures and heavy rain throughout last winter and this summer have set the timeline months behind for completion of the removal of dead ash trees in the parks that have been affected by the Emerald Ash Borer (EAB). Tree work will be continued behind the homes along Log College & Cornell Drives (in Kemper & Barnes parks) throughout 2018. Trees that pose a threat to property will be removed. A certified arborist will continue to visit the parks and township open space and mark trees if maintenance or removal is needed. Tree ordinance funds have supported this massive removal project. For more information on the Emerald Ash Borer and how it can affect trees in your backyard: check out the FAQ's worksheet on the township website; or the Department of Conservation & Natural Resources website: <http://www.dcnr.state.pa.us/forestry/insectsdisease/eab/>

### VOLUNTEERS NEEDED

In order for our events to be successful, we are seeking volunteers who wish to assist. No worries about the time commitment – it can be as little as a half hour to multiple hours and on a flexible schedule. Let us know if you are interested by contacting the Parks & Rec office at 215-443-5428. Please be aware youth programs may require a background check.

### HOMETOWN HERO BANNERS

In 2019, Friends of Warminster Parks, in cooperation with the EDC, will begin sale of Hometown Hero Banners for the Veterans Way Drive. Families are invited to honor those individuals that have served, or are currently serving, in the armed services. Heroes in all branches of the military, from any conflict, may be honored on the banners that will be posted on the light poles along Veterans Way. Families must provide a picture and information. With the extension of Veterans Way down the current runway, there will be plenty of space for everyone to honor family members. Application form and fee are available from the website: [friendsofwarminsterparks.org](http://friendsofwarminsterparks.org) or call Parks & Recreation: 215-443-5428.

### FRIENDS SEEKING MORE FRIENDS

Friends of Warminster Parks is a volunteer, 501-c-3 non-profit organization committed to raising awareness and funds for the improvement, preservation and continued development of the Warminster Township Park system. Our goal is to raise funds to enhance and develop both passive and active recreational areas in Warminster Township Parks and support recreational programs for the benefit and enjoyment of Warminster residents. With so many ambitious projects, the Friends of Warminster Parks is always seeking new members to participate. They are looking for volunteers that might have publicity and marketing, construction, IT, management, or organizational skills, or just wish to participate in an organization that benefits the community. To get involved, send you contact information to [info@friendsofwarminsterparks.org](mailto:info@friendsofwarminsterparks.org)

## WARMINSTER PARK FACILITIES

The Parks & Recreation Department continues to oversee the 410 acres of parks and open space and to provide the community with a variety of annual special events. Volunteers are always needed to assist! For more information: [www.warminstertownship.org/recreation](http://www.warminstertownship.org/recreation).

## IN ALL THE PARKS

- Parks are open from sunrise to sunset. After dusk, you must have a permit or risk being fined.
- Parks are closed during winter weather conditions. Park parking lots, paths and trails are not maintained and may remain snow and ice covered for extended periods. Surfaces may be slippery. Guests may still access park for winter recreational activities; however, they do so at their own peril. Anti-slip winter footwear is recommended.
- Park buildings are open April thru November and winterized annually (restrooms closed, water/electric shut off) by December 1 to reduce the chance of frozen pipes.
- Park facilities are available for special events, parties, family picnics and business gatherings for a reasonable fee. Dates are filling quickly for 2019, so please reserve your pavilion or fields by completing a facility request permit and submitting it to the Parks & Recreation Dept. Sport fields are also available by permit and persons wishing to use them should apply for permits. Permit holders have priority. Forms can be downloaded at the website: [www.warminstertownship.org](http://www.warminstertownship.org)
- To reduce vandalism, park facilities are locked unless park staff or sport organizations are utilizing a park. If you see vandalism, dumping or other hazards, **DON'T WAIT!!** Please call the Police Department immediately at (215) 672-1000.
- **Please do not feed the wildlife**, especially the fox, deer and geese, in the parks - supplemental feeding encourages wildlife to lose their fear of people and become dependent on handouts that are not part of their natural diets.
- The Warminster Bark Park is available to all area residents as a membership program. To participate you must provide veterinarian proof of vaccinations, complete an application, and attend a one-time education session. Annual fees (Jan.-Dec.) are \$25/Warminster resident and \$35/non-resident.

- If you see people with their dogs running loose, please call the Animal Control Officer (267) 317-1380 or Police (215) 672-1000. Do not try to intervene and put yourself in harm's way.
- Solicitation by vendors (including private fitness or sport instruction and ice cream/food trucks) is not permitted in any park. Citations will be issued by the Police Department. Permits are available for a fee.
- Motorized vehicles, including dirt bikes and ATVs - are not permitted in Township parks.
- **Cyclists must yield to pedestrians on all park trails.** Warn pedestrians by loudly declaring "cyclist on your left" prior to passing.
- Perennials for Parks – if you are dividing your perennials in spring or fall, why not donate the "discards" to the parks to improve our park landscaping. Contact the office for more info: 215-443-5428.
- **Park encroachment** - If your residence backs up to a park, please be aware of your property boundaries before installing gardens, sheds, pools and play equipment. Items that encroach on park land must be removed at the cost of the homeowner no matter how long they have been in place.
- **No dumping reminder** – dumping in the parks or public lands is illegal. Leaves, trees, limbs, trimmings and other yard waste must be removed and disposed of properly through the trash company.
- **Commemorative benches and trees** honoring friends, family, pets and others are available for placement in any Township park. For more information, contact Parks & Rec @ 215-443-5428 or download forms from the website: [www.warminstertownship.org](http://www.warminstertownship.org).
- Parks & Recreation would like to extend our thanks to the many sport groups, individuals and volunteers who assist with park maintenance. If you have questions about the various projects underway, please call us.

## PET OWNER INFORMATION

### Warminster's Bark Park @ WCP

- Families with socialized dogs are invited to join Bark Park located in Warminster Community Park any time during the year. It's easy – just complete an application, attach your veterinarian rabies certificate and proof of current dog license, pay a fee and attend the responsible owner education class, and we'll issue you a key fob that allows access into the Bark Park. Dates for the mandatory class are Sept. 17@6:30pm; Oct. 10@3:30; Nov 15@6:30pm; Dec 4@6:30pm; Jan 14@6:30pm, Feb 7@6:30 and Feb 20@3:30pm (dates subject to change). For more info and classes throughout the winter/spring, check out the webpage at [www.warminstertownship.org/dogpark](http://www.warminstertownship.org/dogpark). Memberships are Jan.-Dec.

### Dog Licenses Required

- According to Pennsylvania State Law, all dogs three (3) months of age or older must have a current dog license and a current rabies vaccination administered by a licensed veterinarian\*\*\*. Annual dog licenses (Jan.-Dec.) may be purchased at the WREC, Mon thru Fri from 9 AM-4 PM, at Bucks County Treasurer's office in Doylestown-(215) 348-6244, or online at [www.padoglicense.com](http://www.padoglicense.com). You must provide proof of spaying to receive the discount.

### Noise Ordinance

- Pet owners should be aware that Warminster Township has an ordinance in place regarding unprovoked incessant noise made by animals\*\*\*. For more info regarding this and other Pennsylvania State Dog Laws, contact Craig Claycomb, Animal Control Officer (267) 317-1380.
- \*\*\*Violators are subject to a \$100-\$500 fine for non-compliance\*\*\*

### Pooper-Scooper Ordinance

- Pet owners are required to clean up after their animals, not only in the parks, but on all public and private property throughout the Township (Ordinance #565) or face the possibility of a fine up to \$1,000

## WARMINSTER'S FIVE PONDS GOLF CLUB

1225 West Street Road | Warminster, PA 18974 | 215-956-9727 | 5pondsgc.com

Five Ponds Golf Club is enjoying another wonderful golf season in Warminster Twp. The rainy spring gave way to a beautiful summer and now we are hoping for another great autumn here at the golf course. We have undertaken many new projects this year with our new outdoor dining area which we like to call the "backyard", new furniture, and our newly re-modeled bar & grille area. The new menu has been warmly received and our outings and banquets have responded with great reviews of the food and service. We are incredibly proud of the improvements made thus far and are looking forward to more to come as we head in the fall.

It is outing booking season! So please head on in to add your golf outing to the calendar for next season and receive a special upgrade if you are a first time outing, see Kevin or Daulton in the golf shop for more details. This is also the perfect time to book your holiday party or corporate event at Five Ponds! We have dates available for luncheons or dinner parties throughout the holiday season. Give us a call and ask for Vicki Bartolino, our Banquet Sales manager at ext.1314 for more information.

The Golf Course had another outstanding season and is in great shape

entering the fall. The golf course stays open year round weather permitting so we are looking forward to taking advantage of the great course conditions all fall. We have many exciting plans for the golf course on the horizon and will be sharing them with you soon. For now, come on out and take your shot at the course record (which is an hour & 56 min for a foursome to play 18 holes).

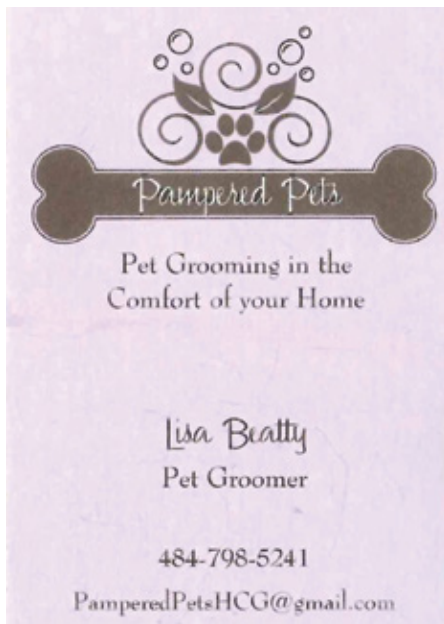

Finally, keep the golf shop in mind for all of your holiday shopping needs! We have gift cards available all throughout the season and great deals on golf shop merchandise including Callaway and Titleist clubs, balls, and accessories. We can special order anything you need and can do many fun custom options to your orders! Lesson packages & club fittings make excellent gifts and are great this time of the year with the perfect weather to come out and work on improving your game!

## SENIOR ACTIVITY CENTER HAS DONE IT AGAIN!

580 Delmont Avenue, Warminster PA 18974 | 215-672-8380 | [www.bwsac.org](http://www.bwsac.org)

The BWSAC has secured a second grant in the last 3 years awarded by the Pennsylvania Department of Aging. The first go around saw a transformation of the great hall from grant funding, as well as updating common areas of the Center, which was possible through fundraising. This time around the Center will be updating the Library and Multi-Purpose rooms as well as adding a digital sign to the property.

Both rooms will be getting new flooring, paint and lighting. The Library shelving will be slightly downsized to accommodate a few more tables and chairs to be used by groups playing cards and board games. The Multi-Purpose room will be somewhat more extensive. Closets will be knocked down to smaller sizes and refurbished for more effective usage, new stackable tables and chairs will be added to accommodate small group exercise in the room and new windows will be put in for better ventilation. In the fall the Center will be adding a tap dance class which was only possible through this grant. The grant also includes new and updated computer equipment to better serve those who attend our computer classes and help classes.

New programs recently added to the BWSAC are chess, DIY crafting and a fall historical speaker series which highlights history in our backyard! We also still have our ongoing programs such as bingo, canasta, knitting/sewing, bridge, billiards, aerobics, zumba, line dancing, woodcarving and much more. If you have any questions or would like a tour of the Center just stop by or participate in one of our monthly orientation meetings. New members are always welcome!

Hot lunch is still served daily with a nominal donation of \$2.00. The BWSAC is involved in Meals on Wheels so if you know of anyone or you yourself need the service, please let us know. Hot Lunch and Meals on Wheels is in partnership with the Bucks County Area Agency on Aging.

Lastly, keep an eye out for our fundraising events. They are very reasonable and lots of fun! Next up is our Spaghetti Dinner on Friday, September 14th. Our hall is available for outside rentals at a great price. Call the Center with any questions or for a tour of the hall.

Happy fall and hope to see more seniors join in the fun at the BWSAC!!

## PLANNING RENOVATIONS?

Check with the Department of Licenses and Inspections for permit requirements before undertaking home improvements including additions, alterations, concrete replacement, decks, demolition, electrical, plumbing, fences, HVAC, patios & walkways, reroofing, sheds, swimming pools, storm water management, underground tanks, fireplaces and stoves and zoning applications. Please allow at least three (3) weeks for the residential permit process. Permits are processed on a first come, first served basis. If all items are included with the initial permit submittal, permits may be issued sooner. The staff at Licenses & Inspections will be happy to help you through the process.

## THINKING OF INSTALLING A FENCE OR A SHED THIS FALL?

In Warminster Township, the following criteria shall apply to the construction of a shed:

- Sheds under 144 square feet require only a Zoning Permit, not a Building Permit.
- Sheds over 144 square feet require both a Zoning Permit and a Building Permit.
- Impervious surface calculations are required for both Zoning Permits and Building Permits.
- Please be sure to complete the Impervious Surface Calculation Worksheet.
- Sheds shall not exceed a total of 500 square feet of ground floor area.
- A plot plan depicting the proposed shed, including the height, location on the property and materials of the proposed shed shall be submitted with the permit application.
- No shed shall exceed a height of twenty (20) feet.
- No shed shall be permitted within a required front yard setback.
- Sheds shall be permitted within required side and rear yard setbacks as follows:
  - No shed shall be closer than five (5) feet from any lot line.
  - Sheds shall be located not less than fifteen (15) feet farther back from the street line than the rearmost portion of the principal structure.

In Warminster Township, a **Fence Permit is required** for the construction of a fence. Fences are permitted in the front, side and rear yards subject to the following criteria:

- A plot plan depicting the proposed fence, including the height, location on the property and materials of the proposed fence shall be submitted with the permit application.
- No fence exceeding a height of six (6) feet shall be erected, unless otherwise permitted in the Zoning Code.
- No fence located in the front yard shall go beyond the legal right-of-way line.
- No fence shall block the visibility at a required sight triangle at an intersection.
- Property Owners shall maintain the area between the fence and their property line.

Questions concerning shed & fence installation should be directed to the Warminster Township Licenses and Inspection Department. Please contact them directly at (215) 443-5423 or by email at [lipermits@warminsterpa.org](mailto:lipermits@warminsterpa.org).

## DEPARTMENT OF PUBLIC WORKS & FACILITIES

ADMINISTRATION: 401 GIBSON AVENUE, WARMINSTER | PHONE: 215-443-5414  
PUBLIC WORKS: 910 W. BRISTOL ROAD, WARMINSTER | PHONE: 215-443-7592

Eric Hinz, Director

### ROAD PROJECTS IN THE WORKS!

Warminster Township's 2018 road improvement program was successfully completed in late July this year. Public Works road crews paved approximately 5 miles of Township streets, placing more than 7,500 tons of new asphalt. The 2019 road improvement program will concentrate on 4-5 more miles of roads located in the central southern section of Warminster Township. The specific list of roads that will be resurfaced in 2019 is still being determined. Following the 5-year Road Improvement Plan, roads that will be targeted are ranked in the poorest condition in this sector of the Township. New ADA compliant curb ramps will also be constructed at intersections in these areas. Residents that live on these roads will be notified of the construction schedule in advance. Copies of the 5-year plan are available to residents by contacting the Public Works Department at 267-317-1310 or by emailing Eric Hinz, Public Works Director, at [ehinz@warminsterpa.org](mailto:ehinz@warminsterpa.org).

### FALLING LEAVES... YARD WASTE ORDINANCE #537

With fall upon us, the Public Works department asks that residents work with us to keep our storm drains, creeks, and basins free of yard debris. Leaves are the number one cause of storm drain blockages and could cause flooding and property damage. Problems with neighborhood flooding prompted the Board of Supervisors to pass an ordinance to not permit yard waste and debris in the street gutters. To help keep our sewer and storm water management system flowing, please be sure that neither you, nor your lawn care contractor, blow clippings, leaves, etc. into the street or you may be fined. All yard waste should be placed in paper bags at the curb. Reminder...If you back up to a park or open space, leaves should still be bagged and put out at the curb, not piled in the woods or along the creek.

### COMMUNITY STORMWATER INFORMATION:

Storm water runoff is responsible for up to 70% of the pollution found in our streams, lakes and rivers. Impervious surfaces (ones that do not allow water to penetrate the ground) such as buildings and parking lots contribute substantial amounts of water to our storm drains. This water often contains many pollutants. ***The Warminster Township storm drain system does not provide any treatment for the removal of pollutants; anything that enters the system eventually reaches our waterways.***

1. Don't dump anything into storm drains—dispose of hazardous waste by taking advantage of waste oil collection programs and hazardous waste collection days throughout the county.
2. If you see a suspicious discharge to a water body or storm drain (catch basin, slotted manhole, into the street), contact Warminster Township Public Works at 267-317-1310.
3. Personal property shall not be connected to the storm drain system (i.e. laundry hookups, sump pumps or septic systems). Such connections are prohibited in Warminster Township.
4. Divert runoff from pavement to grassy, planted, or wooded areas of your property.
5. Pick up litter or pet waste – waste ends up in our streams either directly or through storm drains. Failing to pick up pet waste can result in fines.
6. Reduce fertilizer and pesticide use or toxicity. When mowing the lawn, mulch lawn clippings to provide a natural fertilizer.
7. When watering your lawn, don't over-spray. Water that runs off sidewalks and roadways carries contaminants (oil, grease, and metals) into the drain system.
8. When washing your car, use phosphate free, non-petroleum-based cleaning agents.
9. Sweep up salt and sand on your walkways after snowmelt. Don't hose down driveways or sidewalks.
10. Inspect your vehicles & equipment for leaking and damaged parts.

**Swimming Pool Discharge Guidelines** - In Warminster Township, no permit is required for discharge of water from a swimming pool, but the following guidelines shall apply:

- Discharge of water to a storm sewer is not permitted. In no event shall pool waters be directly discharged to waters of the Commonwealth.
- Water should be pumped over a grassy area to allow absorption, filtration and aeration of water. The discharge should be at a rate which prevents erosion and optimizes infiltration.
- Standing water or accumulated rain and/or pool water from the previous season should be pumped from the top so as not to disturb settled solids.
- Solids on the pool bottom should not be discharged. Following pump down of water, solids should be cleaned out manually.
- Cleaning wastewaters containing muriatic acid of chlorine that is used in cleaning pool surfaces needs to be treated prior to discharge.
- Filter backwash water during normal pool operation must be at a sufficiently low volume that all water infiltrates to the ground.

Questions concerning pool guidelines should be directed to Pennsylvania Department of Environmental Protection, Southeast Regional Office, Bureau of Water Management, Telephone: (484) 250-5970.

***CLEAN WATER BEGINS AND ENDS WITH YOU!***

## **PAINT-THE-PLOW CONTEST**

Warminster Township is pleased to announce the 2nd annual Paint-the-Plow Contest. Paint the Plow is a community outreach program in which local school students are invited to paint a Warminster Township Public Works snow plow blade with original artwork to represent their individual school. In addition to being visible when in full service during the winter-weather months, the blades will be used at events within the school's community to enhance public awareness, promote safety and foster greater appreciation of both Public Works and the school's art program.

Last years' successful contest saw 5 local schools competing in the program including William Tennent High School, Archbishop Wood High School, Log College Middle School, Nativity of Our Lord School, and Klinger Middle School. The student's creative designs following a theme of "School Pride" were showcased at the annual Touch-a-Truck event held in October at Warminster Community Park and admired by hundreds of those who attended the event. The artwork theme for 2018 will be "Snow Day!" Come on out to Touch-a-Truck on October 27 and enjoy the student painted masterpieces along with many other fun activities for the whole family to enjoy.

Information and details about the Paint-the-Plow program will be posted at [www.warminstertownship.org](http://www.warminstertownship.org).

## **WINTER REMINDER**

With winter fast approaching, the Township hopes that all residents will assist with keeping streets clear so that plows can move unwanted snow.

- Ordinance #625 states that it is unlawful for residents to park vehicles on any road following accumulation of 3" or more of snow/ice until snow/ice has been completely plowed from the full width of the road way. Please move cars off the streets when it starts to snow, so that the Township can more effectively and safely remove the snow/ice. Snow Emergencies will be declared when snow is forecasted to reach 3 inches or more, or accumulating ice requires that the streets be cleared. Snow Emergency declarations will be posted in advance on the Township website at [www.warminstertownship.org](http://www.warminstertownship.org).
- It is unlawful to shovel, push, plow or otherwise cause snow to be placed onto, across, or upon any roads, streets or sidewalks if the snow is allowed to remain on the road, street, sidewalk or right-of-way.
- When the Township plows the roads, the plowing causes the snow to get pushed up to driveways, curbs, and sidewalks. It may be more convenient for home owners to shovel after the Township plows the roads as opposed to prior.
- Please trim back all trees, branches and bushes along your front curb line and at corners to help improve road conditions and allow for emergency vehicle access.
- Remember to keep all trash cans out of the street. Portable basketball nets in the street are considered a traffic obstruction and owners may be cited. Please move them back off the street when not in play. If they are struck during emergency services or snow plowing, the owner is responsible for all damages.
- Warminster Township is not responsible for replacing mailboxes located in the right of way that are damaged during snow plowing. To avoid snow plow damage to your mailbox, any person with a mail box located along the street should be sure that the mailbox is secure in the ground.
- The Township is divided into grids for snowplowing. Some areas have been bid out to local contractors to aid our Public Works Department in plowing snow.

**Please shovel sidewalks & around fire hydrants – the house you save may be your own!**

**The "Snow Removal Guidelines for Residents" information page is a valuable resource for the public and is posted on the Public Works page at [www.warminstertownship.org](http://www.warminstertownship.org)**

401 GIBSON AVENUE, WARMINSTER, PA | EMERGENCY: 9-1-1 or 215-672-1000 | BUSINESS: 215-443-5000

Chief James C Donnelly III

Warminster Township Police Department continues to work on numerous programs to make Warminster a safer place to live, work and play.

- In 2018, the Department received their 4th accreditation certification from the Pennsylvania Chiefs of Police Association - one of the few accredited police departments in Bucks County.
- By providing classroom, hands-on and scenario-based instruction, the Department reinforced officer training in the areas of police tactics, firearms, search and seizure, defensive tactics, motor vehicle enforcement, drug recognition and criminal procedures.
- The Department proposed use of red light camera technology at several intersections to reduce accidents within Warminster and free up officers to address other issues.
- Officers continue the initiatives to battle the current heroin epidemic by helping people with addiction through the use of the Bucks Co Police Assisting in Recovery program (BPAIR). If you are looking for help with addiction, or know someone that needs help, please come to the police station, located at 401 Gibson Ave, Warminster, anytime of day and we will help get you on the right path to recovery. The department is also able to help parents with teenagers who find themselves addicted. Please just contact us anytime.
- Work in collaboration with Representative Bernie O'Neill and Friends of Warminster Police K9, to re-establish the K9 unit.
- Increase communication with the public through use of the Warminster Township Police Facebook and Crimewatch page to address issues and concerns as soon as possible.

Police can be reached, 24/7 for any police related issue at either 911 for emergency or (215) 672-1000 for non-emergency calls. If you need administrative assistance, you can call us during normal business hours Monday to Friday 9 AM-5 PM, except holidays at (215) 443-5000, or you can email us at [police@warminsterpa.org](mailto:police@warminsterpa.org).

## GOT DRUGS?

Warminster participates in the Bucks County Medication Disposal program for unwanted or expired medications and has a free and anonymous drop off box located in the Warminster Police Department lobby, 401 Gibson Ave. For more information on the program, please call 215-968-4713.

## POLICE DEPARTMENT SAFE ZONE

In the age of E-commerce where deals and financial exchanges are made, the Warminster Police is offering the police headquarters as a safe place for people to meet and make those exchanges. With a constant worry of meeting a stranger for the purchase or threat of

a crime being committed, the Warminster police main lobby and immediate area around the building, have adequate lighting and fulltime surveillance system. This allows the public to use our parking lot and lobby as a safe zone to finish business transactions. Please be safe and careful.

# DEPARTMENT OF EMERGENCY MANAGEMENT & SERVICES

401 GIBSON AVENUE, WARMINSTER, PA | 267-317-1313 Joe Velten, Director/Emergency Management Coordinator/Fire Marshal

**Ready Notify:** A free notification system that will alert you when there is a Township Emergency.

Winter is right around the corner and with the changes of temperature, we sometimes get severe weather. We can reach out to those who are signed up for the **ReadyBucks** notification system. We can limit the audience and message to the area directly affected by the emergency when you use your address. Sign up, make sure to identify your address, and be connected with Warminster Emergency Management.

Go to [warminstertownship.org](http://warminstertownship.org) and click on the button to sign up.

## EMERGENCY PREPAREDNESS

Each household should prepare for emergencies - power outage, fire, flooding, hurricanes, blizzards and other weather disasters. A fundamental concept in Emergency Management is Preparedness. Our department has plans in place and is trained to coordinate the response to various types of emergencies that can impact Warminster Township. One key element in our planning is that all residents of the community should have the capability to be self-sustaining for at least 3 days in the event of an emergency. Any large-scale event will require time to gather resources to assist in the response and set up shelters. Please look at your personal readiness and make any changes that will prepare you for a sudden emergency. Do it now, before an emergency occurs.

Your **Disaster Supply Kit** should have water-1 gallon/person for 3 days; enough food to last each person 3 days which requires little preparation and lasts of long periods (replace every 6 mos.), be sure to include food & supplies for pets, infants or family with special diets, a can opener, battery powered radio, flashlight, resealable plastic bags, towels, personal hygiene items, first aid kit, HD plastic trash bags, a change of clothing, shoes & socks for each person, blankets or sleeping bags. Most important include personal identification, copies of birth & marriage certificates, bank account numbers, inventory of household goods, chargers, extra car/house keys & prescription medications.

## Fire Prevention – Early Warning

Fact: There are serious fires in Warminster Township

Fact: There is little time to react and escape when there is a fire

Fact: Early warning will increase your chances to get out of harm's way

A common statement made after a fire is "I can't believe how fast the fire grew". You directly impact your chances of surviving a fire by making sure you have working smoke detectors on every level and in every sleeping area of your house. THE BEST smoke detection is when all the smoke detectors are interconnected. In newer homes this is done through household wiring and backup batteries. Older homes can have a wired system added or purchase WIRELESS interconnected smoke detectors. If you need additional help, contact your local fire department.

## Find the Fire Hydrant

Not a fun game when there is a fire. During a high snowfall event, emergency response is still a top priority. We need clear access to you. If a township snow emergency is declared, you must get your vehicles off the street and clear fire hydrants that are in front of your residence. You are a key part of our quick response; clear streets allow our public works to move snow so police, fire, and ambulance can get to your emergency. When you clear a fire hydrant of snow, we can find it faster. Please help us when responding to your emergency.

## Hartsville Fire Company – [www.hartsvillefc.org](http://www.hartsvillefc.org)

New members are always welcome, stop in any Tuesday evening around 6:30 PM, call 215-672-9242, or visit the website for more information about how you can become a member of the Hartsville Fire Company.

## Warminster Fire Department – [www.warminsterfd.com](http://www.warminsterfd.com)

Warminster Fire Department is always seeking volunteers to staff its three fire stations located within the Township. Interested individuals must be 16 years of age to participate in formal training. Stop in on any Tuesday night at 6:45 PM at 300 Madison Avenue, call 215-675-4691 and leave a message, or visit the website.

## Central Bucks Emergency Medical Service – [www.cbems.org](http://www.cbems.org)

Established in 1951 as a non-profit volunteer ambulance squad, we proudly serve over 150,000 residents in our surrounding communities from five distinct locations. For the residents of Warminster, we are now located in your town to provide quality care. Please contact the office at (215) 348-8380 or visit our website.

## COMMUNITY, CIVIC AND SPORT ORGANIZATIONS

The different Warminster Sport & Civic Organizations operate independently of the Township and its departments. We do not oversee their operations, set prices or policies, or act as a mediator during disputes. If you have questions, comments or suggestions, please contact each organization.
