## WARMINSTER TOWNSHIP WASTE COLLECTION

J.P. Mascaro & Sons is pleased to remain your Township-Wide waste and recycling hauler and continue to provide you with comprehensive waste, recycling, and yard waste collection services.

Your service days do not change. Collection day depends on where you live in Warminster Township refer to the Township zone map inside.

**HELP KEEP WARMINSTER TOWNSHIP CLEAN!**

### TRASH CURBSIDE COLLECTION

- All Trash should be placed in the red wheeled cart along with up to four additional 30 gal cans not to exceed 50lbs in weight.
- Red cart and other trash cans should be placed out for collection no earlier than 6pm the day before and no later than 7am the day of your scheduled collection. Do not leave cans out past 10 pm on the day of your scheduled collection.
- Store your cart on your property, not in the alley, right of way, or on the sidewalk. Any loose trash in the alley must be picked up and deposited in your red cart.

### DISPOSAL OF HOUSEHOLD PAINTS

**Latex paint:** Let paint dry in can. Adding kitty litter or a commercial drying agent will speed up the drying process. When paint is dry, double bag the can before putting it in the trash. Leaking paint will damage our trucks and stain your street.

### HOLIDAY COLLECTION

If your collection day falls on a holiday it will be skipped until the next scheduled collection day. **Holidays:** New Year's Day (January 1), Memorial Day, Independence Day (July 4), Labor Day, Thanksgiving Day, and Christmas Day (December 25).

### CHRISTMAS TREE COLLECTION

Trees should be placed curbside the week of the second Monday in January on your regular scheduled yard waste day. Any other time after it will be collected as a Bulk item.

### YARD WASTE COLLECTION (SERVICE DAYS HAVE NOT CHANGED)

- We compost your grass and leaves!
- Place all grass and leaf waste into fifty-gallon kraft biodegradable bags or loose in cans, no plastic bags! Up to ten containers or bags per week.
- No branches, stumps, or logs! Place these items out as bulk items.
- Don't mix trash with your grass or leaves.
- Grass and leaves will be picked up once per week from **April 1 to December 15** each year. December 16 through March 31, put them in the regular trash.

### BULK ITEMS

- One bulk item permitted per week.
- Bulk items are picked up on the **SECOND** collection day of the week!
- No construction or demolition debris.
- Bulk items include: sofa, water heater, or stove.
- Refrigerators, freezers, air conditioners and dehumidifiers may contain CFCs (Freon) and need special handling. Please call **1-800-432-1616** to schedule a pick up.
- Carpets must be cut in three-foot strips, rolled and tied, up to ten rolls.
- Mattress & box spring wrapped in plastic counts as one item.
- Twigs and branches must be cut in 3 foot lengths and tied in a bundle, only 10 bundles per pick up, or 10 logs or 1 stump. (if twigs are too small to bundle, put them in separate can as a bulk item).

### No Hazardous Wastes or Electronic Waste!

Televisions, Car batteries, gasoline, motor oil, pesticides, oil-based and other toxic and hazardous materials do not belong in the trash! Call the Bucks County Planning Commission at **215-345-3400** for information on disposing of these materials. Many auto stores accept used motor oil and car batteries.

RECYCLE

YARD WASTE

TRASH

**Warminster Township**

**TRASH, YARDWASTE & SINGLE STREAM RECYCLING**

**INFORMATION**

## Cans, Glass, Paper and Plastics can all be commingled in the same Recycling Toter

### How do I separate Trash from Recycling?

It's easiest to have a container or two set up where it happens. Like a bin in the kitchen for bottles and cans you've washed out, and another in the office for used paper and mail. Just remember that with single stream recycling, it can all go in the same toter – we do the sorting for you.

## WHAT TO RECYCLE?

### Aluminum and Metal Cans:

Aluminum cans (beer and soda) aluminum foil and foil plates, etc. Metal lids, metal food cans (tin/steel). **Please rinse food products.**

### Glass

Glass bottles and jars (food and drink only). **Please rinse food products.**

### Plastic Containers

Plastic bottles and containers labeled #1 - #7 (soda, water, milk, juice, liquor, shampoo, detergent, condiments, salad dressing, yogurt, margarine). **Please rinse food products.**

### Mixed Paper and Cardboard

Paper Material: such as, newspaper and inserts, magazines and catalogs, junk mail, envelopes, file folders, office white, colored and computer paper (staples and paper clips ok) should be tied in separate bundles when placed for collection. Corrugated cardboard boxes, cereal, tissue, gift boxes, etc. (remove liners) paper bags, phone books, wrapping paper (remove metallic paper, bows, etc.) Break down all boxes. Tie in separate bundles (no larger than 2' x 3') No wax coated, paint or oil contaminated boxes. Make sure that paper and cardboard material remain dry.

## DO NOT RECYCLE!

Ceramics/Dishes  
Coffee cups  
Drinking glasses  
Glass ovenware  
Pyrex  
Vision Ware  
Window glass  
Mirrors

Light bulbs  
Plastic bags  
Styrofoam packaging  
Bubble wrap  
Tissue  
Metallic Paper  
Coated paper  
Toys

Single stream recycling will be collected by a compaction truck. Only recyclables will be on this truck on your recycling day, it cannot collect non-recyclable items.

This map is for your convenience, and as a help to new residents. Find your street; the color indicates your collection days.
